Welcome to a “picture book” view of First Baptist Church. It is our hope that this directory can be a tool for you to use as you get to know the rest of the “First Family”.

From its beginnings, this has been a place where the Bible is loved and taught, where God is honored, and people are cared for and nurtured. Faithful women and men have passed on a great legacy of faith for over 140 years. God watched over us through the dark days of the Civil War. We’ve huddled together in prayer for sons and daughters fighting overseas. We’ve watched in amazement what God has done in Europe and China. All the while First Baptist stood as a constant in a changing world.

When we come together to worship God meets with us. We seek to be grounded in His Word, and focused on His Son. We believe people matter to God – that YOU matter to God. That’s why no presentation of the church can be complete without a presentation of the people that make up our family of faith.

The church has gone through many changes in the last 100 years or so. No doubt it will go through many more as we approach the start of a new century. The thing that remains constant from 1850 until today is the burning desire to reach our community with the good news of Jesus Christ. This directory is a snap-shot in time. Let’s continue on together, becoming all that God has called us to be.
